Dear Colleague

APPRECIATION LETTER

Thank you for the congratulatory letter received 22 September 2021. Since the launch of this Fiscal Openness Accelerator project in March 2020 we have encountered many challenges and learnt a lot from the experience and we would like to express our sincere gratitude to the Global Initiative for Fiscal transparency (GIFT) and International Budget Partnership (IBP) team for the support.

We would also like to appreciate the support received during the first pilot and look forward the next two years. We are encouraged by the interest shown by members of the public to participate and believe with the continued support of the advisory group and yourselves the process can only improve from hereon.

We look forward to the second year of the pilot

Kind regards

Edgar Sishi
