

GIFT

GLOBAL INITIATIVE FOR FISCAL TRANSPARENCY

GIFT is an **action-network** established in 2011 to achieve sustained and measurable improvements in **fiscal transparency and inclusive participation** by advancing global norms, peer-learning, collaborative assistance and promoting the use of digital tools. Comprised of **54 members**, it brings together ministries of finance, civil society organizations, international financial institutions and other stakeholders, and facilitates meaningful dialogue to **find, share and advance solutions to challenges in fiscal openness**.

2022 IMPACT WORKSTREAMS

Advancing transparency and public participation in fiscal policies in international norms and at country level

GIFT provides an effective platform for the convergence and harmonization of normative architecture on fiscal transparency and inclusive public participation, including revenue policies at the international and domestic spheres.

Capacity-building for more effective and inclusive use of public resources

Through increased peer-learning and technical collaboration, GIFT facilitates meaningful dialogues between and among budget officials and civil society to increase their knowledge and technical capacities to implement practical solutions and innovations, and harness digital tools in the achievement of more open, efficient, accountable and inclusive budget systems.

Consolidating GIFT as a cohesive action network comprised of champions

GIFT brings together a core network of key actors from around the world that are willing to open budgets, lead reform and pilot innovative practices through the adoption of user-centered digital tools and dialogue for inclusive development.

THE GIFT NETWORK

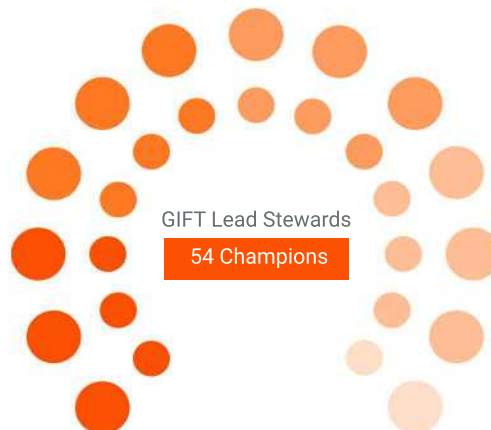

GIFT is administratively housed at the **International Budget Partnership (IBP)** and is guided and governed by the lead stewards, comprised of the **IBP, the World Bank, the International Monetary Fund (IMF), the International Federation of Accountants (IFAC)**, and the national budget authorities from the **Philippines, Brazil and Mexico**. As of 2022, the GIFT network is composed of 54 stewards and several partners.

22 governments
