Session #2: User-Engagement Initiatives: Showcasing 2023 Dataquests and Data Rally Journeys

November 28, 2023 | Tuesday | 20:00 – 21:30 EST
via Zoom Teleconference

About the session

The GIFT user engagement initiatives: the [#DataOnTheStreets Rally](#) and the [#Dataquest for sustainable development](#) encourage the public to use fiscal information in open formats, engaging different stakeholders.

In this session, we will feature a panel of initiative [organizers](#) and [winners from around the world](#), discussing impactful ways to expand government-civil society collaborations and enhance the meaningful use of fiscal data.

Listening to the users

We hear from winners around the world discuss around:

- **What motivated you** to participate
- What ministries of finance and specialized civil society organizations can do to **better reach and motivate users**
- **Insights learnt** from participating in a DataQuest/Rally

Organizers' presentation

We hear from organizers around the world discuss around:

- What **challenges** have you faced?
- What **lessons** have you learned?
- What **recommendations** can you share to those who aim to organize a similar event?
